Our Story

Our Purpose

Every year, hundreds of Maryland workers face life-altering injuries on the job. Tragically, on average, 60 workers lose their lives annually in these incidents. Amidst such loss and hardship, their children often find themselves grappling with uncertain futures.

Our Mission

Kids' Chance of Maryland, Inc. is dedicated to changing this narrative. Our mission is to provide financial scholarships to the children of catastrophically or fatally injured workers, empowering them to pursue their education, achieve their goals, and fulfill their dreams.

Opportunities

Your sponsorship can make a profound difference. By joining our annual sponsor membership program, you help ensure these children have the opportunity to complete their undergraduate education or vocational training—laying the foundation for brighter futures.

Unity

Kids' Chance of Maryland is a 501(c)(3) nonprofit organization founded by a diverse group of dedicated volunteers from Maryland's business and workers' compensation community. Our coalition includes representatives from employers, insurers, medical and vocational rehabilitation providers, as well as claimant and defense attorneys.

Removing Financial Barriers to Education

Since 1996, our 501(c)(3) nonprofit has awarded an estimated **\$3 million** in scholarships to children of Maryland's catastrophically injured workers. Backed by volunteers from Maryland's workers' compensation community, we are dedicated to helping these children achieve their dreams of higher education.

Scholarship

Which children are eligible for the scholarships? Students must have had a parent or guardian who has suffered a catastrophic or fatal accidental injury or occupational disease while working for a Maryland employer. Students must be under 25 years old to apply.

How long is this scholarship for? Scholarships are offered for one semester. Applicants must reapply at the end of each semester in order to be considered for scholarship renewal.

What does the scholarship cover? Kids' Chance of Maryland offers scholarships up to \$10,000 per semester for students whose parents were catastrophically injured or killed in workplace accidents. Scholarship awards vary and depend largely on the needs and educational expenses of the student. Scholarships cover tuition and books, but may also include housing and meals.

Eligible Student Criteria

- Must be the child of a catastrophically or fatally injured worker in Maryland.
- Must be pursuing higher education (college or trade school).
- Demonstrate a need for financial assistance.

BE BOLD

Meet Some of Our Kids

Andress Robinson

is a sophomore attending the The Pennsylvania State University, an honor student and is majoring in telecommunication. His father, a detective for the Baltimore Police Dept. was shot multiple times on the job as an undercover detective.

Ashlee Durham

is attending Towson University on a scholarship in memory of my firefighter father, who passed in the line of duty. This scholarship helps fund my education as she pursues a career in forensic science.

Allayah Jewell

is a junior attending Auburn University. She is currently in the Food Innovation and Technology Program studying culinary arts. Allayah's mom suffered a catastrophic back injury and is unable to work.

KCMD understands that sponsorship comes in all sizes, and we're happy to customize your level of giving.

We deeply value the importance of strong, collaborative partnerships. Your sponsorship, at any level, is an investment not just in our mission, but in a working relationship that supports our mutual efforts. Each sponsorship level offers distinct benefits to recognize your contribution. This ensures you gain recognition as a key supporter, an industry leader, and receive marketing exposure that showcases your commitment to making a difference in Maryland communities.

To support our scholarship fund, we offer five sponsorship levels, as well as annual event sponsorships. Our highest level provides top-tier visibility and exclusive benefits to acknowledge your exceptional support. As you move through the levels, each tier offers valuable recognition and appreciation, ensuring your contribution is celebrated appropriately. At every level, you will have the opportunity to personally meet our scholarship recipients at various events.

You may also choose to direct your sponsorship dollars to a specific student and their educational major or vocational trade. Contact Kids' Chance of Maryland to discuss your sponsor preferences.
